Family Prosperity Transcends Money

Complete Wealth comprises Five Capitals: human, intellectual, social, spiritual, and financial.

Four Qualitative Types of Capital

1. Human
2. Intellectual
3. Social
4. Spiritual
5. Financial

Based on the work of James E. Hughes, Jr., Susan E. Massenzio, and Keith Whitaker from their book Complete Family Wealth.
We are the Miller family, descendants of Larry and Gail Miller and currently four generations strong. Headquartered in Sandy, Utah, we own and operate over 80 businesses in a variety of industries.

We believe in the American dream, the nobility of the human spirit and in man's desires to be free and self-reliant. We also believe that happiness is the object and design of our existence.

Through hard work, sacrifice and the hand of Providence we have been blessed with extraordinary success. We are committed to enriching lives and we "go about doing good" through our businesses, our philanthropy and our personal conduct.

**OUR CORE VALUES**

**INTEGRITY:** Honor your word
**HARD WORK:** Give your best every day
**STEWARDSHIP:** Leave it better than you found it
**SERVICE:** Give of yourself
**FUN:** Enjoy what you do

**THE EXTRAORDINARY:** Live passionately and authentically

We live with gratitude. We acknowledge that our freedoms, privileges and opportunities have been made possible because of the work and sacrifice of our predecessors. We commit to providing similar opportunities and to teaching our history and our family's principles to future generations.

We honor our heritage by remaining true to our values and by building on the success of those who came before us.
