## SIGNATURE SCHOLARSHIPS AT ENSIGN COLLEGE

An Ensign College Signature Scholarship offers a way for you to support students and personally witness the tremendous impact you have in their lives. Your donations will be used by the college to bless students who have the greatest need: first-generation students, recently returned missionaries, and students returning to higher education after a prolonged absence.

### THREE CHARACTERISTICS MAKE A SIGNATURE SCHOLARSHIP UNIQUE:

#### 1. Naming and Designation

A Signature Scholarship allows you to name your scholarship after yourself, your organization, or a loved one.

#### 2. Annual Gathering

Each fall, Signature Scholarship donors are invited to campus to meet with scholarship recipients. This event, which may include a luncheon, gives you the opportunity to meet the students you support and hear about how the scholarships are blessing their lives.

#### 3. Affordability

Signature Scholarships are feasible for donors in many financial situations. They can be started with a donation of \$10,000, which generally will fund two students for two semesters. The college encourages providing this support for four years.\*

If you are ready to establish a Signature Scholarship to start changing lives, or if you need more information before making a decision, fill out the detachable form and return it to the address provided, scan the QR code, or visit

\*Donations may be received throughout the year and may be awarded starting with the semester following the donation. A scholarship will be awarded each year as long as there are sufficient funds in the account to cover current tuition costs. If there are not sufficient amounts in the Signature Scholarship to make any awards for a period of two consecutive annual giving cycles, then any remaining amounts will be combined with other Signature Scholarships having a similar purpose and the Signature Scholarship will no longer be maintained.
